

WARNING

- * *Always turn the engine off before performing any maintenance operations, unless otherwise stated.*
- * *To maintain the safety and reliability of your HONDA ATC do not modify it and use only new genuine HONDA parts or their equivalent when servicing or repairing.*
The use of replacement parts which are not of equivalent quality may impair the safety and effective operation of your ATC.

CAUTION:

- * *Do not tilt the ATC125M more than 45° when servicing the ATC125M battery electrolyte may spill out.*
