

## Turn Signal Switch

The turn signal switch ① is located on the left handlebar grip switch housing. It can be operated without taking the hand off the handlebar grip. To signal a left turn move the switch to the "L" position. To signal a right turn move the switch to the "R" position.

## Horn Button

The horn button ② is located on the left handlebar grip switch housing. When the horn button is pressed the horn will operate.

① Turn signal switch    ② Horn button

## Document Compartment

The document compartment ③ is located under the seat.

The seat can be raised by releasing the seat latch ④ located at the rear of the seat.

Put this owner's manual and other documents in the vinyl sack and place them in the document compartment. When washing your motorcycle, be careful not to direct a blast of water at the bottom of the seat.
