

## Helmet Holder/Steering Lock

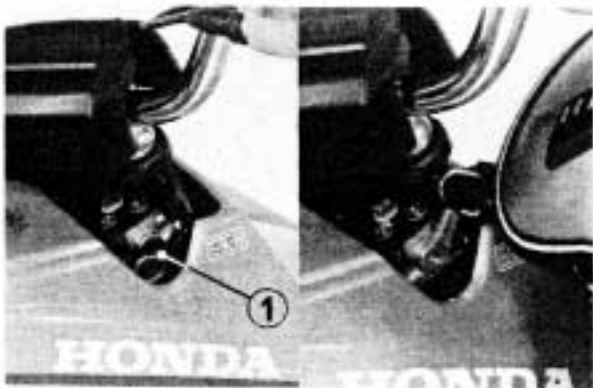

The helmet holder also serves as the steering lock. To lock the steering and use the helmet holder:

1. Turn the handlebars all the way to the left and hang your helmet on the hook at the hinge.
2. Turn the key (1) counterclockwise and remove the key.

**WARNING**

- \* *Do not engage the steering lock while riding the FOUR TRAX: you will lose the ability to steer.*

(1) Key

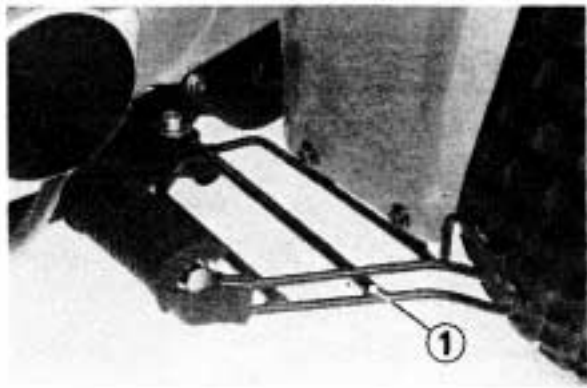

## Step Guard

The step guards (1) are attached to the right and left footpegs.

**WARNING**

- \* *To prevent injury to feet and legs, do not remove the step guards from the FOUR TRAX 70.*
