

The information in this publication relates to the Honda TRX90X, an ATV (All Terrain Vehicle) designed primarily to travel off-road on four low-pressure tyres, driven by a mounted rider using the handlebars for steering control.

This manual should be considered a permanent part of the ATV and should remain with the ATV when it is resold.

This publication includes the latest production information available before printing. Honda Motor Co., Ltd. reserves the right to make changes at any time without notice and without incurring any obligation.

No part of this publication may be reproduced without written permission.
