

Replacement tyre selection

When replacing tyres, always use appropriate tyres for this model motorcycle. Use of inappropriate tyres may seriously affect the controllability and stability of the motorcycle.

Please consult your local Honda dealer for the tyre change.

Front	Size	3.00 - 21 51 P
Front	Type	Dunlop D605FG with tube
Rear	Size	4.60 - 18 63 P
Rear	Type	Dunlop D605G with tube

Warning:

Use of inappropriate tyres may seriously affect the controllability and stability of the motorcycle. It may result in an accident leading to fatal or serious injuries.

Always use the correct tyres only.
