

Contents

These pages give an overview of the contents of your owner's manual. The first page of each section lists the topics covered in that section.

Introduction

Motorcycle Safety **1**
Important safety information, precautions about loading, accessories, and modifications, and the location of safety labels.

Operating Controls **11**
The location, function, and operation of the throttle, brakes, clutch, and other basic controls.

Before Riding **21**
The importance of wearing a helmet and other protective gear, plus how to make sure you and your motorcycle are ready to ride.

Contents

Basic Operation & Riding **27**
How to start and stop the engine, shift gears, and brake. Also, riding precautions.

Servicing Your Honda **41**
Why your motorcycle needs regular maintenance, what you need to know before servicing your Honda, a maintenance schedule, and instructions for specific maintenance items.
