

## DIGITAL TRIPMETER

The XRV750 is equipped with a digital tripmeter which can show elapsed time and distance. The meter also serves as a clock.

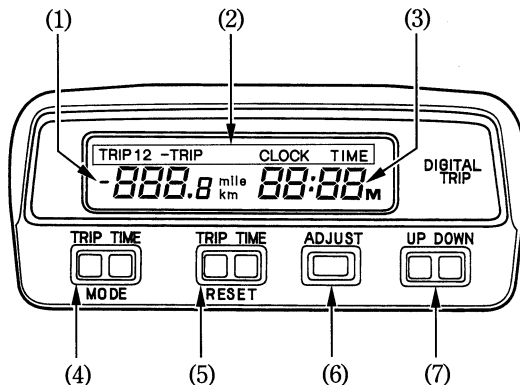

### ▲ WARNING

\* Keep both hands on the handlebar while riding, never operate :

- MODE button
- RESET button
- ADJUST button
- UP/DOWN button

### CAUTION:

\* Do not ride the motorcycle with rags, gloves etc, stuffed between the digital tripmeter and windshield as such practice may adversely affect the performance of the digital tripmeter due to vibrations.
