

# Servicing Your Honda

---

The following table summarizes the three types of inspections and servicing recommendations for your motorcycle. Both the pre-ride inspection and the scheduled maintenance at the recommended intervals are necessary to assure safe and dependable performance. The periodic checks provide additional confidence in your motorcycle's performance.

| Type of Inspection/<br>Service | Refer to<br>page: | When Performed       | Who Performs  |
|--------------------------------|-------------------|----------------------|---------------|
| Pre-ride Inspection            | 39                | before every ride    | you           |
| Periodic Maintenance           | 119               | monthly*             | you           |
| Maintenance Schedule           | 120               | interval on schedule | your dealer** |

\* more often if you ride frequently or long distances; or anytime you clean your motorcycle

\*\*unless you have the proper tools and service data and are mechanically qualified

USA only

An optional tool kit may be available. Check with your dealer's parts department.
