

Introduction

Congratulations on choosing a GL1800 GOLDWING motorcycle.

When you own a Honda, you're part of a worldwide family of satisfied customers — people who appreciate Honda's reputation for building quality into every product.

Your GOLDWING has earned its reputation as the ultimate luxury touring motorcycle. It comes loaded with power, unequaled cargo space, a sophisticated audio system, adjustable windscreen, suspension, a Tire Pressure Monitoring System (TPMS), ventilation, and other unique features to provide maximum convenience and comfort. Additionally, there are special packages available: Anti-Lock Brake System (ABS), Navigation System with optional XM[®] Radio and Airbag.

Before riding, take time to get acquainted with your motorcycle and how it works. To protect your investment, we urge you to take responsibility for keeping your motorcycle well maintained. Scheduled service is a must, of course. But it's just as important to observe the break-in guidelines, and perform all pre-ride and other periodic checks detailed in this manual.

We also recommend that you read this owner's manual before you ride. It's full of facts, instructions, safety information, and helpful tips. To make it easy to use, the manual contains a detailed list of topics at the beginning of each section and an index at the back of the book.

As you read this manual, you will find information that is preceded by a **NOTICE** symbol. This information is intended to help you avoid damage to your Honda, other property, or the environment.
