

Are You Ready to Drive?

Before driving your Honda SXS for the first time, we urge you to carefully read this owner's manual and the labels on your vehicle and make sure you understand all the safety information.

Age & Size Recommendations

The driver should be at least 16 years old and tall enough to wear their seat belt properly (page 44) and operate all the controls. A passenger should also be tall enough to wear the seat belt properly and ride with both feet on the floor.

WARNING

Allowing a person who is too young or too small to drive this vehicle or ride as a passenger could result in serious injury or death in a crash.

Follow all instructions and guidelines in this owner's manual regarding the proper age and size for a driver and a passenger.
