

Contents

These pages give an overview of the contents of your owner's manual.

The first page of each section lists the topics covered in that section.

ATV Safety 1

Important safety information you should know, plus a look at the safety related labels on your ATV.

Indicators & Controls..... 9

The location and function of indicators and controls on your ATV and operating instructions for various controls and features.

Before Riding27

The importance of wearing a helmet and other protective gear, how to make sure you and your ATV are ready to ride, and important information about loading.

Basic Operation & Riding41

How to start and stop the engine, shift gears, and brake. Also, riding precautions.
