

Pre-ride Inspection

To ensure safety, it is your responsibility to perform a pre-ride inspection and make sure that any problem you find is corrected. A pre-ride inspection is a must, not only for safety, but because having a breakdown, or even a flat tire, can be a major inconvenience.

Check the following items before you get on your vehicle:

- Tire tread wear and air pressures are within limits. ➔ P. 54
- Lights, horn, and turn signals operate normally.

Model not equipped with Optional Passenger Seat Kit

Check the following items if you are carrying a cargo:
